ORDER GRANTING THE LIMITED LICENSE

---

On January 30, 1986, the Medical Examining Board issued its Final Decision and Order in the Matter of Disciplinary Proceedings Against Gerald L. Clinton, M.D. By the terms of the board's Order, the board accepted the voluntary surrender of Dr. Clinton's license to practice medicine and surgery effective February 28, 1986. It was further ordered that Dr. Clinton be prohibited from applying for reinstatement prior to March 1, 1987, and that should he apply after that date, he have the burden of establishing that his licensure would not be adverse to the interests of the public. Finally, it was ordered that no license would be granted to Dr. Clinton which would permit him to engage in psychotherapy with female patients.

By letter dated April 24, 1987, Dr. Clinton petitioned for reinstatement of his license. The board denied the petition by its Order dated August 3, 1987.

By his application for a License to practice medicine and surgery dated November 26, 1990, Dr. Clinton again applied for reinstatement of his license. Dr. Clinton appeared before the board at its meeting of February 21, 1991, and the board denied the application on that date.

By letter dated August 24, 1992, Dr. Clinton once more petitioned the board for grant of a "permanent unrestricted license" to practice medicine and surgery. On September 24, 1992, he appeared before the board with his attorney, David D. Relles, in support of his petition, and the board once more denied the application.

Finally, by letter dated November 2, 1992, Dr. Clinton, by Mr. Relles, renewed his petition for reinstatement -- this time requesting a limited license. The board and Dr. Clinton thereafter entered into a Stipulation by which the board agreed to issue, and Dr. Clinton agreed to accept, a limited license imposing the terms and conditions set forth herein. A copy of the Stipulation is attached hereto and made a part hereof.

Based upon the Stipulation, and upon all other information of record herein, the Medical Examining Board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that Gerald L. Clinton, M.D., is hereby granted a limited license to practice medicine and surgery in Wisconsin imposing the following terms and conditions:

2. Respondent's entire practice of medicine and surgery in Wisconsin shall be under the direct on-premises supervision of another physician satisfactory to the board.
3. Respondent shall continue in psychotherapy with Basil Jackson, M.D., Ph.D., or another psychiatrist approved by the board, on a schedule determined by the psychiatrist. Therapy shall take place, however, not less than four times per month.

Copies of said releases shall be filed simultaneously with the Medical Examining Board.
